

We have 3 user Roles

1. Admin
2. Manager
3. Users

Admin

username: admin@afro.com

Password: password

Manager

Username: manager@afro.com

Password: password

Tasks 1

Invoice throws error if created in Pounds (lbs)

You cannot save the form when you select pounds LB but you can save in KG

Add new invoice

Select User * Type *

Status * Weight *

Width Height Total Value

Cost * Insurance

Service Fee

Notes Pounds always throw error if selected

Tasks 2

Remove Validation from Address 2.

afroshipper

Afroshipper > Setting > US Shipping Address

Dashboard User & Role Referrals Invoice / Shipping Setting

Change US Shipping Address here.

Tasks 3

Fix and add email notifications (Email Documents attached)

We have 3 Invoice Types

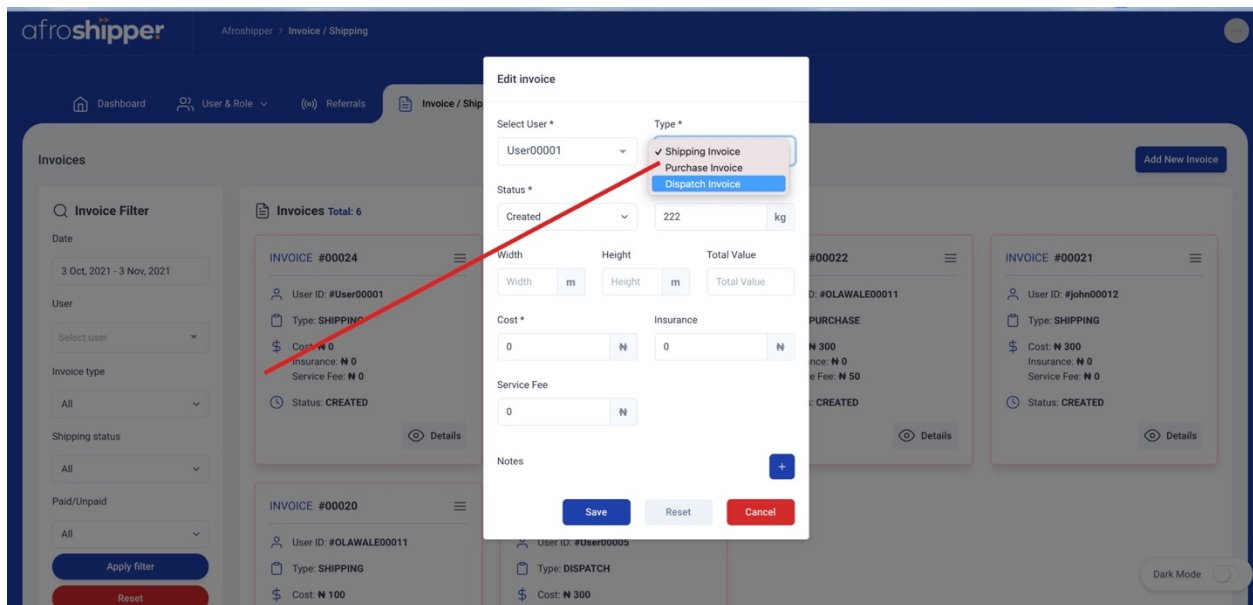

1. Shipping Invoice
2. Purchase Invoice
3. Dispatch Invoice

For Status

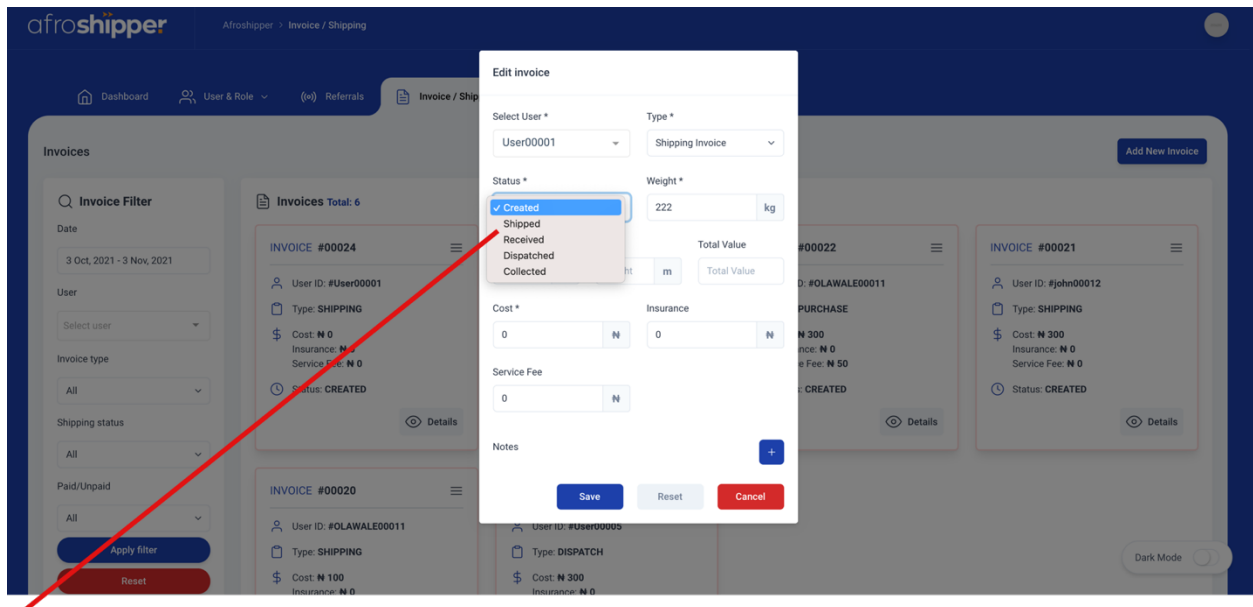

We have:

1. Default
2. Created
3. Shipped
4. Received
5. Dispatch
6. Collected

All 3 invoice types (**Shipping**, **Dispatch** and **Purchase**) will use - "Created" Status

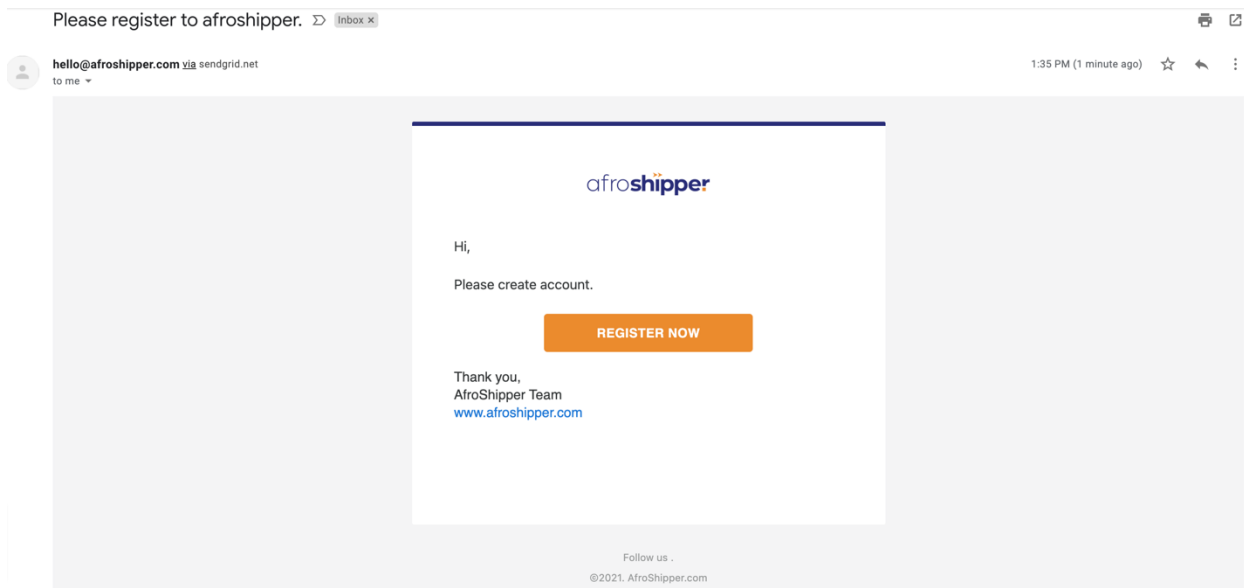

The Invoice Type "Shipping" needs the remaining Status like Received, Dispatched, Collected, Shipped

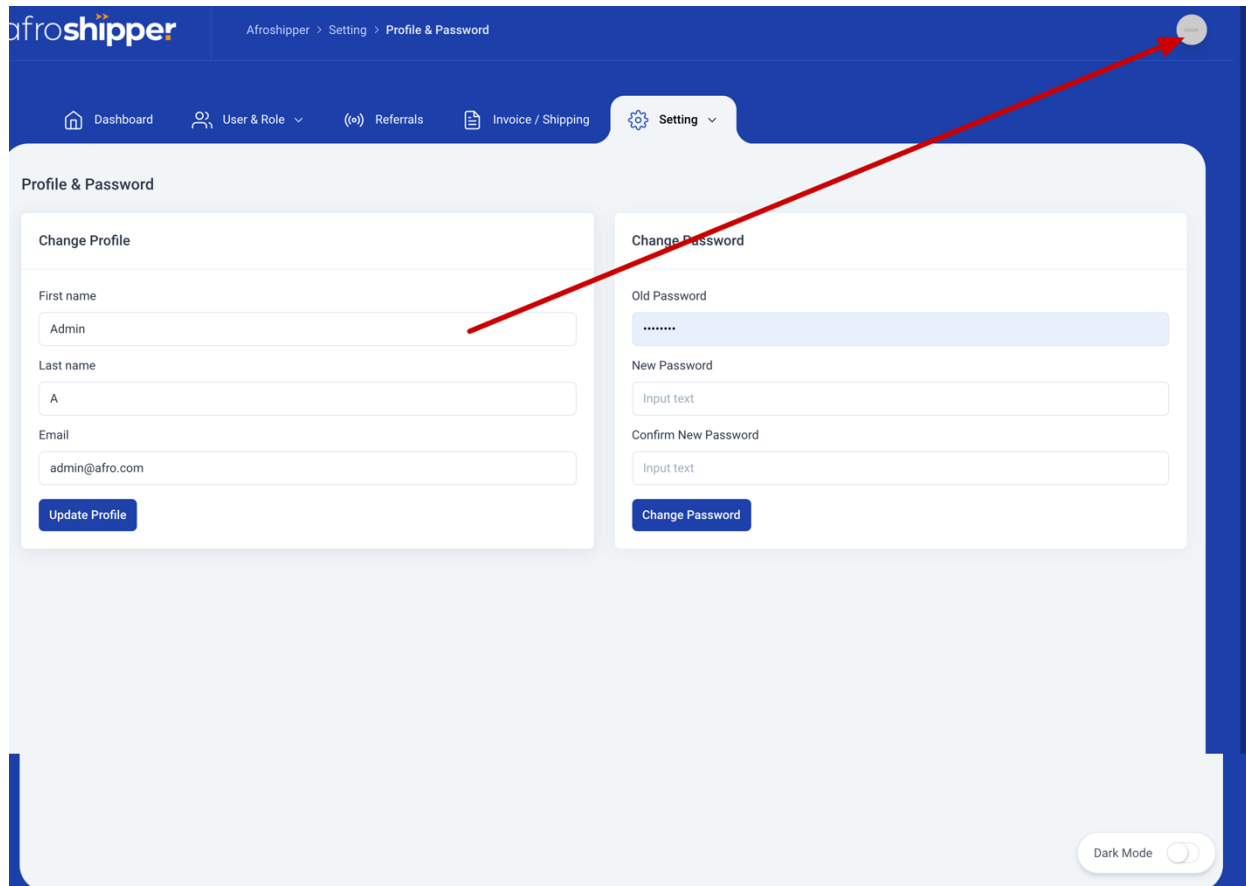

Created - Notification document is
 Shipped - Notification document is ITEM OUT FOR DELVIERY doc
 Received - Notification document is ITEM DELIVERED. (edited)
 Dispatched - Notification document i
 Collected - Notification document I ITEMS IS OUT OF DELIVERY.

Email template is already designed.

Tasks 4

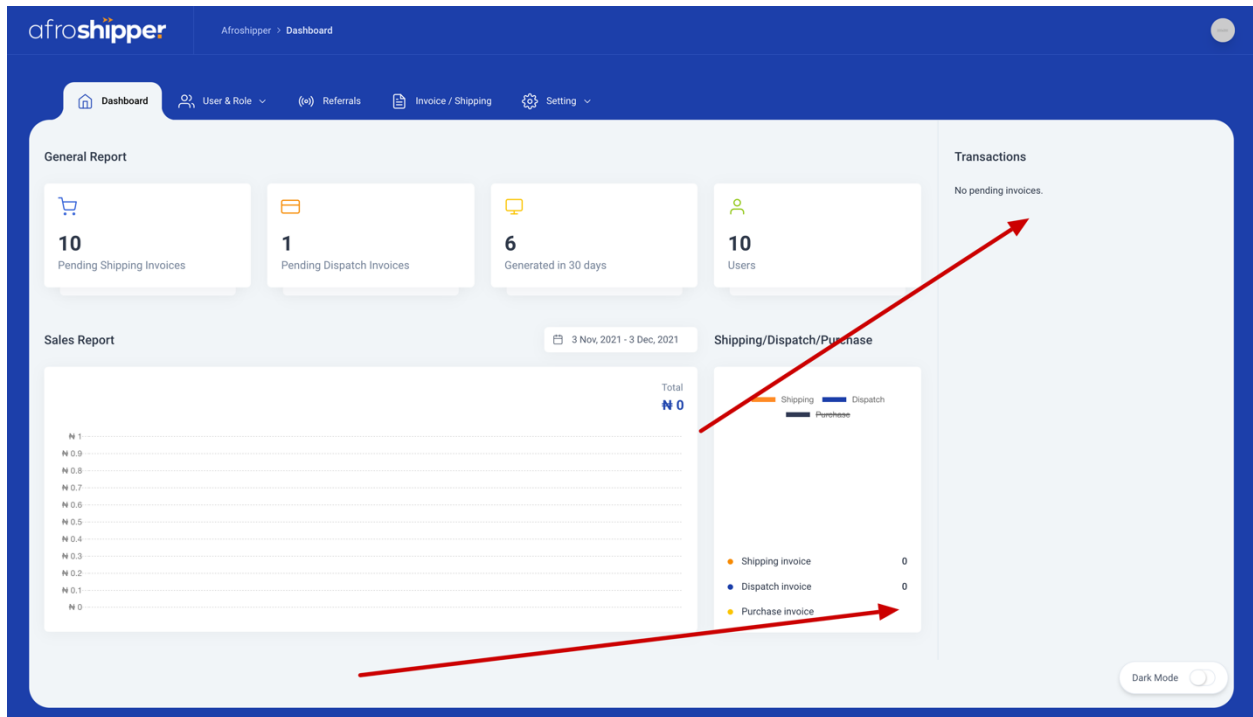

Replace the Avatar with "My Account". Since we did not build pictures into it the app.

The screenshot shows the 'afroshipper' application interface. The top navigation bar is dark blue with the logo on the left and a breadcrumb trail 'Afroshipper > Setting > Profile & Password' on the right. Below the navigation bar is a secondary menu with icons for 'Dashboard', 'User & Role', 'Referrals', 'Invoice / Shipping', and 'Setting'. The main content area is titled 'Profile & Password' and contains two side-by-side form panels. The left panel, 'Change Profile', has input fields for 'First name' (containing 'Admin'), 'Last name' (containing 'A'), and 'Email' (containing 'admin@afro.com'), with an 'Update Profile' button at the bottom. The right panel, 'Change Password', has input fields for 'Old Password' (masked with dots), 'New Password', and 'Confirm New Password', with a 'Change Password' button at the bottom. A red arrow originates from the 'First name' input field and points to a circular profile picture placeholder in the top right corner of the page. At the bottom right, there is a 'Dark Mode' toggle switch.

Tasks 5

Display transaction reports, payment and stats for “Purchase Invoice”

Tasks 6

Change favicon from Vue Js Logo to the attached.

Tasks 7

Populate the address filled by the Admin here on the User Account

The screenshot shows the 'afroshipper' user dashboard for 'Tosin Olufemi' (#Tosin00015). The dashboard includes a navigation bar with links to Dashboard, KYC Verification, Referrals, Invoice / Shipping, and Settings. A 'General Report' section displays three metrics: 0 Pending Shipping Invoices, 0 Pending Dispatch Invoices, and 0 Generated in 30 days. A 'Transactions' sidebar on the right indicates 'No pending invoices.' The main content area features a form titled 'Use this when checking out at your favorite online store.' with fields for 'Attn' (filled with 'Tosin00015'), 'First Name' (filled with 'Tosin'), 'Last Name' (filled with 'Olufemi'), 'Address', 'Address 2', 'City', 'State', 'Zip Code', and 'Phone Number'. A red button labeled 'Add delivery address' is located to the right of the form. A red text annotation on the right side of the dashboard states 'Address fill by the admin should populate here', with three red arrows pointing to the 'Address', 'City', and 'Phone Number' fields respectively. A 'Dark Mode' toggle is visible in the bottom right corner.

Invoice calculation in notification is missing conditional Service Fees

See email notification below did not have service fee added to the calculation

Hi Tosin,

A quick note to let you know that we have successfully charged the invoice listed below:

Invoice Number: #00025
Amount: NGN 128
Account: broadeni@gmail.com

You can view this invoice in the invoice section inside platform.
Feel free to get in touch with us via Live Chat for questions/comments.

We appreciate your business!

Thank you,
AfroShipper Team
